> Made Money From Dandellona Collecting dandellons an Italian woman living in Philadelphia has been able to save \$2,000 during the last 40 years. It appears that about forty years ago the woman's husband died. leaving his widow unprovided for. She started to collect dandellons, and sold them to her countrymen in the city. A few days ago she died, and it was found that her savings had accumulated to a little more than \$2,000.
